Excellence In All Things

Renaissance is an incentive program designed to promote and recognize academic achievement and good behavior from our students. In addition to recognizing the students who meet these requirements, the program honors students and staff who distinguish themselves by performing services to the school and/or community.

Non-academic requirements for all levels: no reports of disciplinary action or teacher disapproval, no excessive dress code violations, all outstanding fees paid, and attendance could influence your eligibility (no excessive tardies or unexcused absences). If a student is absent, his or her parent must call the Attendance office (ext. 1208) to let them know and the student must bring a doctor's note to Mrs. Kenney in Attendance **within one week of the absence (an absence is unexcused without a doctor's note)**. Extenuating circumstances will be considered and evaluated by the Renaissance Steering Committee upon written request. A student must be enrolled at Neville High School for at least 9 weeks before applying for Renaissance. The application for Renaissance must be submitted online through Google during the application period for each Renaissance assembly.
